## 5 Simple Steps

1. **Make an Appointment** – call either store to schedule a drop off appointment. New consignors will need to print, read carefully, initial and sign the **Consignment Agreement**.
2. **Prepare at Home** – all items must be clean, freshly laundered, pressed or dry-cleaned. While presorting at home, make sure items are season appropriate and in current fashion / style (*within the last 2 – 3 years*).
3. **Drop & Shop** – bring your items in on your appointment day. Items should be laid flat in a tote or bin (*no hangers please*). Fill out a **Drop & Shop** form selecting to either donate or pick up items not accepted for consignment.
4. **Sell your Items** – we provide **90 days** of selling space in our stores for your consignable items. Seasonal clothing items may have a shorter display time if brought in near the end of a season. **Unsold items** (if any) at the end of the consignment period **will be donated** to a local charity. You are welcome to come in prior to the end of the term to collect your unsold items; however, we do not provide a reminder call.
5. **Earn Money** – **50%** on consignments by **Store Credit** or you may earn **40%** on consignments by **Check** payout. It's your choice!
